about equip-bathrooms

The Equip-Bathrooms Company is a leading company providing bespoke bathroom solutions to the residential and hospitality trades. We are the preferred company for Architects, Interior Designers, Developers, Hoteliers and Home-owners who are sourcing for unique sanitary fitting, ware and bathtub products with outstanding quality to match.

As a company focused on the South East Asian (“SEA”) markets, we have showrooms and project offices located in Singapore, Kuala Lumpur, Bali and Jakarta. In addition, our exclusive SEA Partner distribution network covers Thailand, Myanmar and Laos as well. In this respect, we can provide our clients with excellent project consultation, sales and after-sales service anywhere in the South East Asia and the Indo-China region.

Having our hospitality base located in Bali for over a decade, we have supported the supply to many luxurious hotels, resorts and villas there, and in the process, successfully completed thousands of bathrooms to cater to the booming tourism industry on the island of Bali. We take back this expertise to our respective offices in South East Asia and Indo-China, and convert our clients’ residential and hospitality projects into unique works where lifestyle and design converges.

We represent a portfolio of reputable bath brands in South East Asia that has contributed to the development of many iconic projects in the region. The brands are: iB Rubinetti, Duravit, Victoria+Albert, Ceramica Cielo, Ceramic Flaminia, TECE, Glass Design, Mastella Design, Open Arredobagno, MGM Marbles & Stones, Serafini Marmi and Brizo.
