

ALEXI

Sanitary Fittings and Wares Catalogue 2017

Quality Sanitary Solutions for Residential and Hospitality Projects

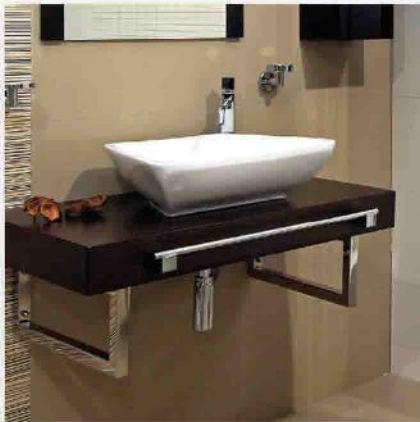

Inspiring bath experiences for everyone

Founded in 2014, ALEXI is a brand which seeks to put quality and design back into bathrooms. We believe that the bathroom is an important private space which is highly utilised everyday by everyone. As such, the sanitary fittings and wares that go into our bathrooms must have outstanding quality, accompanied by superior designs to ensure an inspiring bath experience for all users.

All our sanitary fittings and wares are produced exclusively in our factories located in Italy and Thailand respectively. We believe that quality begins at the source of production, and for this reason, we place great emphasis to ensure that the factories producing ALEXI products are professionally managed with a passionate team that puts quality as a top priority, so as to deliver satisfying customer experiences all the time.

ALEXI products can be found in many hotels, villas, houses, condominiums, apartments, flats and spas in South East Asia countries. You can trust ALEXI sanitary solutions to deliver a higher level of performance consistently.
